Hello
Here is the September newsletter for the website. Thank you!

*We are very excited to start our 2022-2023 Dance Season on Tuesday September 6th! Again, please double check your parent portal to make sure you have the correct day and time of your dancer's class(es)! Any problems, please let us know ASAP!

*Please know that our lobby is CLOSED for parents to wait. We are using every inch of the studio for our dancers. If your dancer has a break in between classes, they are more than welcome to sit in the lobby and wait for their next class. An office staff member will be there at all times.

*Parents that have dancers in the Fundamental classes are permitted into the building because you will attend class in the beginning with your dancer.

*Dancers will come in the front door for class, and will be picked up around back at one of our two back doors. Please make sure you are at the door to pick up your child. We will not allow any dancer age 11 and under to walk out to the parking lot for safety reasons! Thank you for your understanding!

*We will have snacks and water available for purchase for 50 cents each.

*Picture and DVD orders are available for pick-up in the lobby.

*Any parent that needs merchandise, shoes, etc. is allowed to come into the lobby area to take care of these things.

*We are planning on having a Christmas Spectacular this December and those dancers in 45 minute classes will be able to participate. More information will be coming out within the week. Stay tuned and look for it!!

WELCOME BACK!!!!

Thanks.
Dancingly Yours,
