People ask why I charge to see the show, and this is the reason. I pay for everything for the show from the rental of the auditorium, classrooms and gym that we use for dressing rooms, props, the lighting person, the janitors, per hour the air conditioner runs, and much, much more! That is why I charge admission for the show.

****PLEASE NOTE**** You do not have to purchase your tickets on May 7TH. You may purchase tickets the following week when your child comes to class. Yes, the front row seats will not be available, but you can see the stage great from all the seats in the auditorium. Any other questions, please see Miss Clarissa.
